A Visit from MP Joy Smith

On January 8th, I had the pleasure of welcoming MP Joy Smith to my office to make an announcement about federal funding that Lifearth Prosthetics has received. Joy Smith is a champion for several causes. The creation of a central registry for donors that can help people battle lymphoma and other cancers is an initiative that she strongly supports. Mrs. Smith is also dedicated to seeing human trafficking end, and I share this hope. Helping women with breast cancer is one of my goals and it is great to have the support of both Mrs. Smith and the federal government in my efforts.

Joy Smith Receives an Aboriginal Award for her work:
